

Coast Starlight,

clackity clack down the track  
words make rooms in our heads  
rushing along  
see a golf course, tiny bipeds  
with tiny carts in the smooth  
greens, then a sod farm's vast  
perfect grass  
for putting on with clubs  
or putting on with gloves

Supreme Court bars  
executing mentally retarded,  
reports  
the *Seattle Post Intelligencer*
